- ⚠ The screws here can only be adjusted slightly rather than screw out, otherwise the sliding block of the inner pipe will fall.
- ⚠ Die Schraube hier darf nur ein bisschen eingestellt und nicht herausgeschraubt werden. Sonst fällt der Gleitstein des Innenrohrs herunter.
- ⚠ Les vis ici ne peuvent être ajustées que légèrement plutôt que de les visser, sinon le coulisseau du tuyau intérieur tombera.
- ⚠ Los tornillos aquí solo se pueden ajustar ligeramente en vez de atornillarlos, en caso contrario, el bloque deslizante de la tubería interior se caerá.
- ⚠ Le viti qui possono essere regolate leggermente piuttosto che svita completamente, altrimenti il blocco scorrevole del tubo interno cadrà.
