## Lifting

Insert the U (crank handle) into the hole on the left. If you want to rise, turn the crank handle counterclockwise, and if you want to descend, turn the crank handle clockwise. The right side is the opposite.

## Sollevamento

Inserire la U (manovella) nel foro a sinistra. Se si desidera salire, ruotare la manovella in senso antiorario, mentre se si desidera scendere, ruotare la manovella in senso orario. Il lato destro è l'opposto.
